Sub:- Approval for supply of Welding Electrodes and Wire.

Ref:- Your letter dated April 28, 2017

Dear Sir,

This has reference to your above cited letter and technical documents/credentials submitted by you to this office for approval of your **Welding electrodes and welding wire** for Delhi Metro Rail Projects/Metro Rail Projects in various other cities.

While going through the credentials submitted by you, it is observed that your company has been accredited with ISO certification and you have been approved by various companies of repute including BHEL, Bharat Oman Refineries Limited, NPCIL, L&T etc.

In view of above, we have '**no objection**' in case you supply your **Welding electrodes and welding wire** for our metro rail projects/metro rail projects in various other cities subject to the suitability and fulfillment with the technical requirements.

Since our ongoing Phase-III project has already reached an advanced stage of completion, the name of **Raj Kesari Electrodes Private Limited** will be included in our Approved list of manufacturers/vendors for Phase-IV project (set to commence shortly) after assessment by the Committee.

The quality of the product/products should meet the required strength and other DMRC specifications. Please also note that this approval is subject to the suitability and fulfillment with the technical requirements. However, the Corporation wholly reserves the rights to revoke/suspend the enlistment on the basis of review any time.

This approval has been accorded on the condition of maintaining of quality intact. In case of any negative feedback and deterioration in quality, this approval will stand cancelled automatically. Mandatory checks about the quality will also be carried out as and when required so as to satisfy the site/s about the quality and the performance.

The above authorization, however, does not bind the Corporation in anyway for use of your products/services in the works.

Yours faithfully,
